

REMARKS

Claims 1-25 are pending in the application. Claims 19, 23, and 24 have been amended.

The title has been changed in accordance with the Examiner's suggestion.

Claims 1-22 have been allowed. Applicant appreciates the Examiner's consideration of these claims.

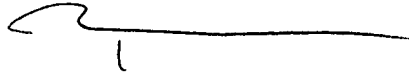

Claims 23-25 were rejected under 35 USC 112, second paragraph. Claim 23 has accordingly been amended to recite "managing and accessing devices on said system with a central processing unit." This amendment is believed to overcome the rejection under 35 USC 112, second paragraph. In addition, Applicant notes that claims 23 and 24 have also been amended for clarity, including replacement of the term "management controller" with the term "controller". In accordance, claims 23-25 are believed to be in condition for allowance.

CONCLUSION

Applicant submits the application is in condition for allowance, and an early notice to that effect is requested.

If any fees are due, the Commissioner is authorized to charge said fees to Meyertons, Hood, Kivlin, Kowert, & Goetzel, P.C. Deposit Account No. 501505/6000-09900/BNK.

Respectfully submitted,

B. Noël Kivlin
